SAFETY CONSIDERATION

As with most tools and pocket knives, several blades have sharp edges or points. Be extremely careful not to cut or pinch yourself with blades or handles when opening, closing or using your multi-tool.

MAINTENANCE

1. Clean your multi-tool after use, especially pay attention to the saline, grease, dirt and other, and ensure that no debris or dust clogging, and then dry it.
2. If necessary, lubricating oil should be dripped on the axis to ensure smooth operation.
3. Usually, grease or oil can be applied to prevent corrosion and rust.

WARRANTY

This warranty policy is a legal document we manufacturer provide for our end user, stipulating warranty services and other related matters. Please keep it properly. If the retailer or other third party whom you buy the product from declares that it will provide warranty service or other more services, the warranty service or other services will be provided by the retailer or third party.

1. Instruction

This warranty service is only applicable to the product or its parts that meet the factory configurations during normal use within the warranty period when there is a performance failure within the warranty scope. The definition of performance failures within the warranty scope, if the country has relevant regulations, shall be based on national regulations; if there are no regulations, we will determine it in accordance with this warranty policy.

2. Warranty period

The warranty period is one year from the date of delivery of the product. The delivery date of online, telephone or other off-site transactions is the same as delivery date recorded by the third-party logistics; in other cases, the invoice date should be regarded as delivery date, but if you can effectively prove that the invoice date is earlier than the actual delivery date and it is not caused by your end, the actual delivery date shall prevail with our confirmation. If you are unable to provide valid third-party logistics delivery information or invoices, the warranty date will be calculated from 30 days after the product leaves the factory. Please see the warranty card for the specific warranty period and other matters.

3. How to access to our services

Below optional methods for you to contact us for warranty service:

A. Service hot-line: 86-662-3692722

B. Contact the selling platform where you buy the product.

For warranty application, please submit clear, complete and correct documents including ① invoice; ② warranty card; ③ Order information on E-commerce platform (if applicable).

If you cannot provide above proofs indicating the source of the product, you will not be able to obtain warranty service.

4. Warranty policy

1). Within 7 days since the start of the warranty period, if the product has a performance failure, and it is confirmed by us or our authorized after-sales service center, you can enjoy the return or replacement service for free. For replacement product, the warranty period will be recalculated.

2). Within 8-15 days since the start of the warranty period, if the product has a performance enjoy failure, and it is confirmed by us or our authorized after-sales service center, you can free replacement or repair services. For replacement product, the warranty period will be recalculated.

3). Within 12 months since the start of the warranty period, if the product has a performance failure, and it is confirmed by us or our authorized after-sales service center, you can enjoy free repair or component replacement services. The repaired product or product with replaced components will continue to enjoy the warranty service during the remaining of the original product. If the remaining warranty service period is less than 3 months when warranty period the repair or component replacement occurs, the remaining warranty period will be extended to 3 months.

4). When return or replacement is required, the product should be in original condition in complete packaging. The main product itself as well as all the accessories should be without any damage, scratches or breakage. For repairs, new components become part of your product, and the components replaced should be returned to us.

5). For product hardware failures within scope of warranty, we will bear the logistics costs as well as other costs incurred by the warranty. For the failures or damages that are confirmed not in the coverage of warranty, unless otherwise specified at that time, you shall bear the round-trip freight (if any) and the risks in the transportation process.

5. Non-warranty coverage

Warranty will not be applicable under following occasions:

1). Failures or damages caused by improper physical or operating environment, force majeure, improper maintenance or storage, such as misuse, accident, modification, private dismantling, liquid intake, etc.

2). Unauthorized organization or personnel dismantle or repair without our authorization;

3). Discoloration, wear and consumption during use;

4). The relevant labels and marks of the products or parts are changed or removed, such as: the product information or serial number on the warranty certificate does not match the actual product, or has been altered;

5). Components with obvious damages by hard objects, scratching marks, broken corners, severe deformations and other breakages.

6). Warranty period expires.

6. Paid services

For product failures beyond the warranty period or outside the scope of the warranty service, we will provide paid professional repair services if it is confirmed within our service scope. With your knowledge and agreement, the old components replaced will be recycled when repaired. Unless expressly agreed otherwise, we will provide a 90-day warranty for the repaired or replaced components.

7. General terms
